

HI LFWIY

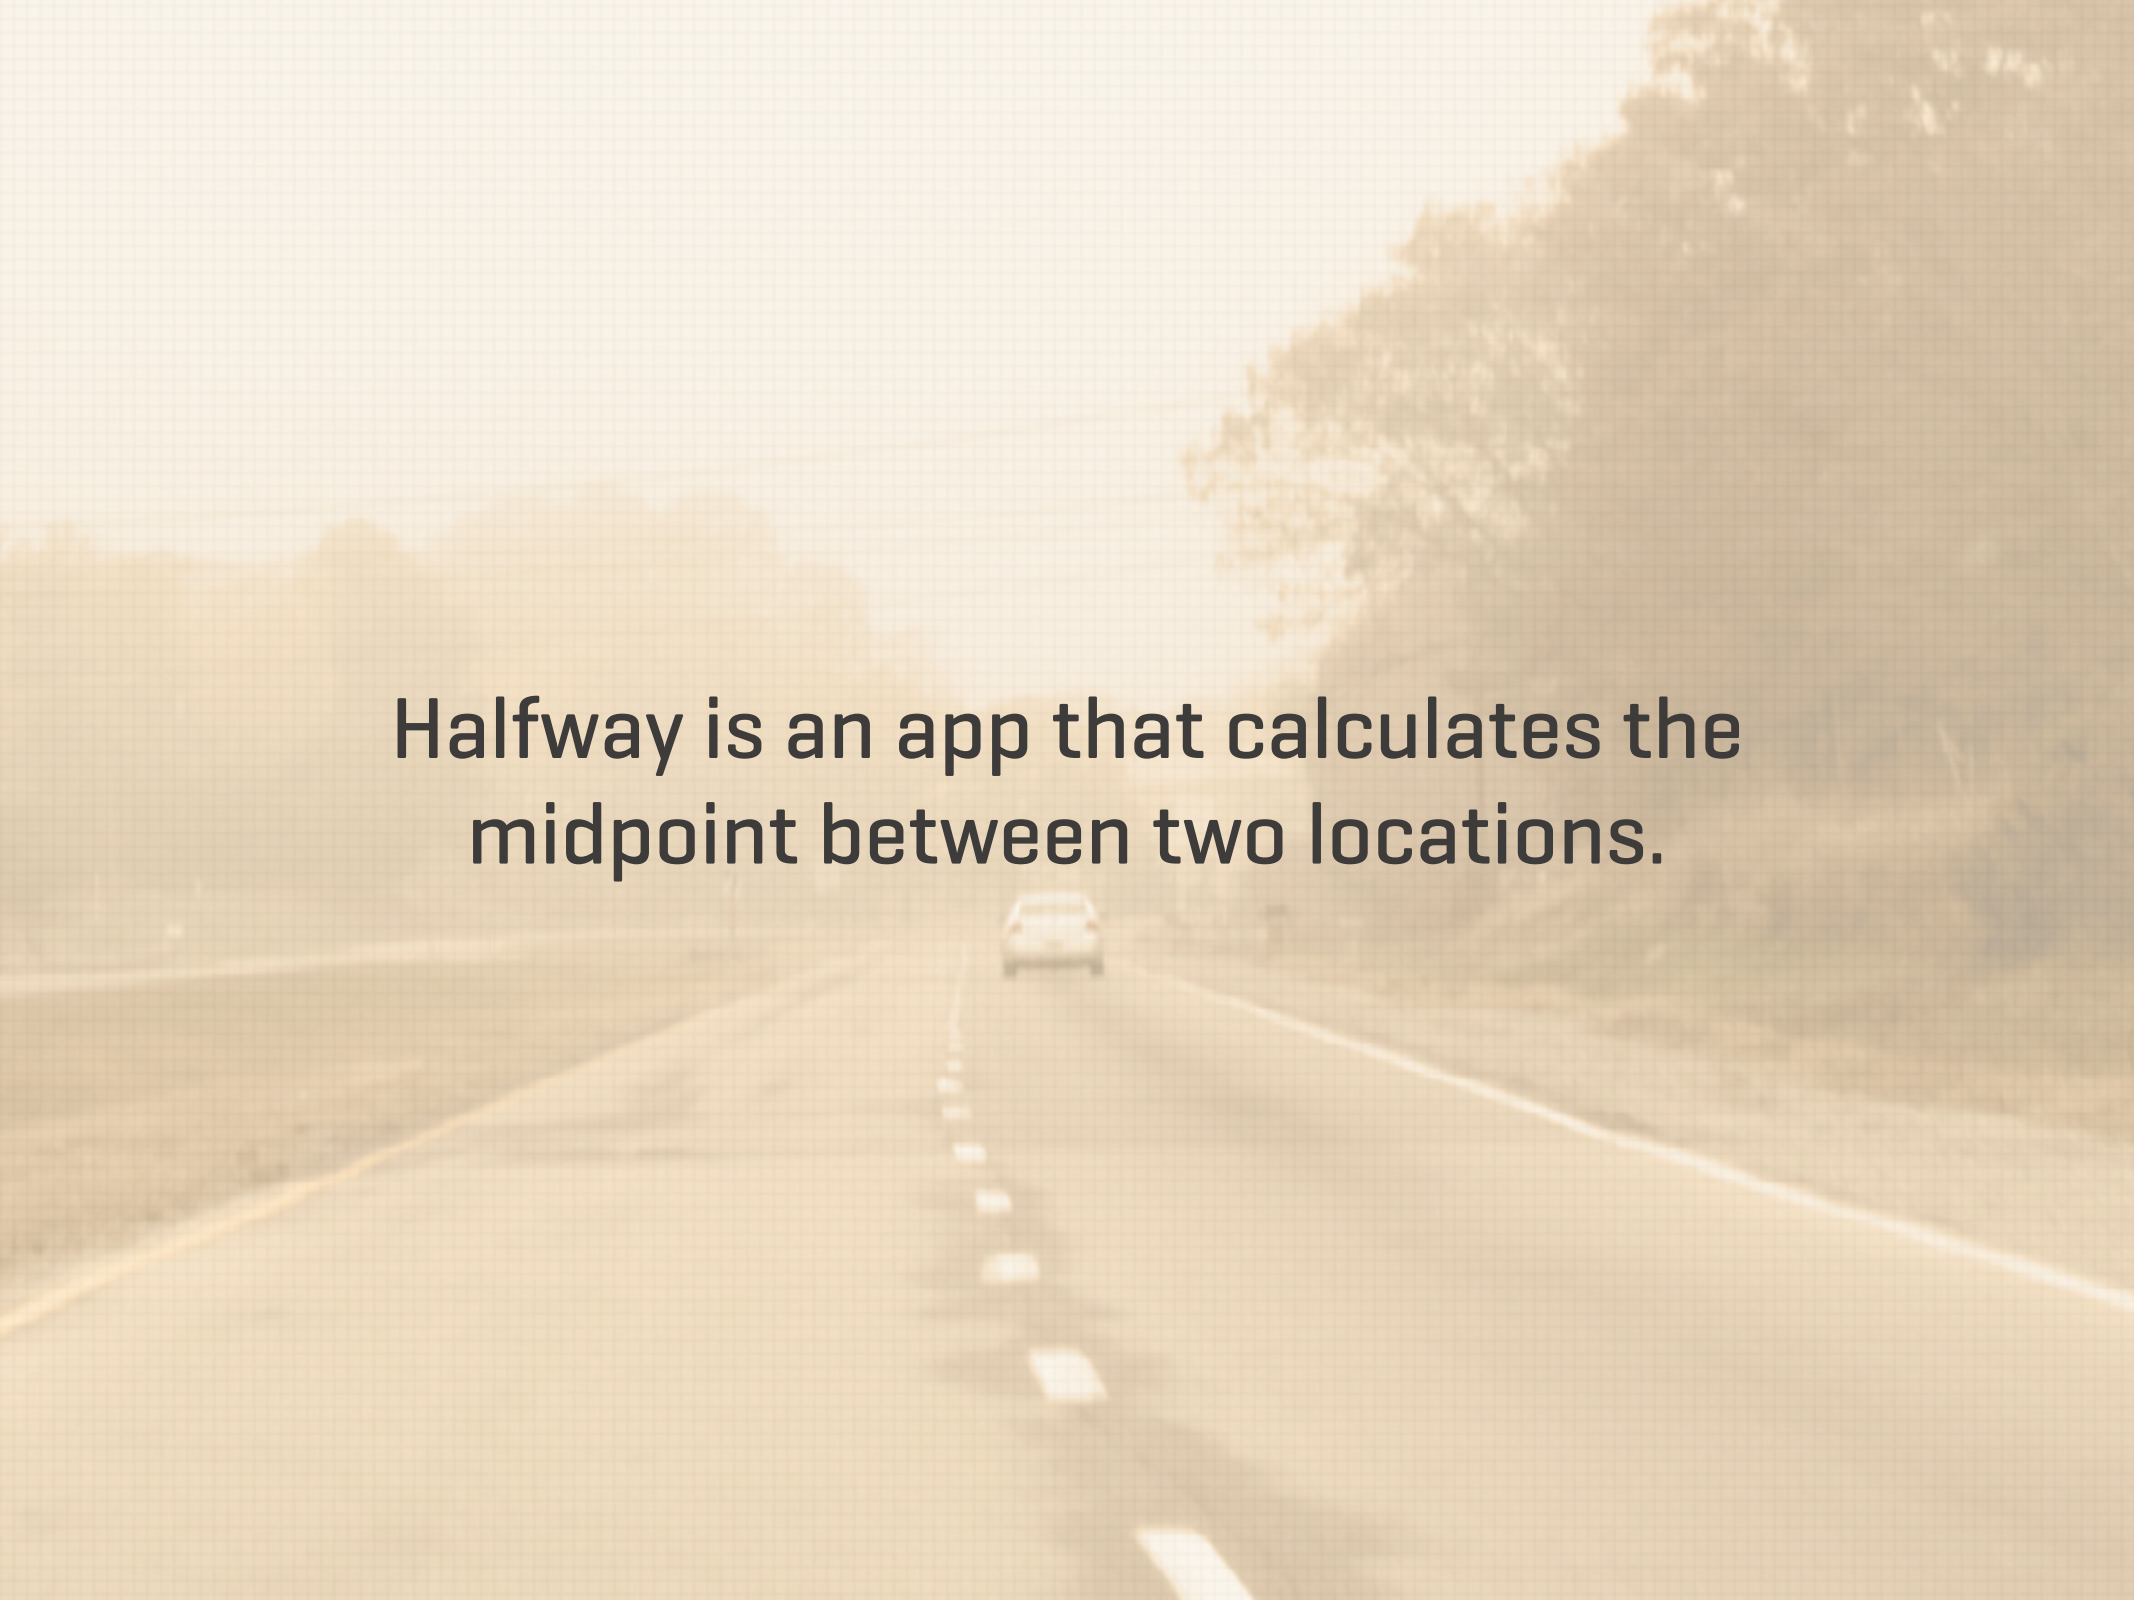

Meet in the middle

Jose Mateo

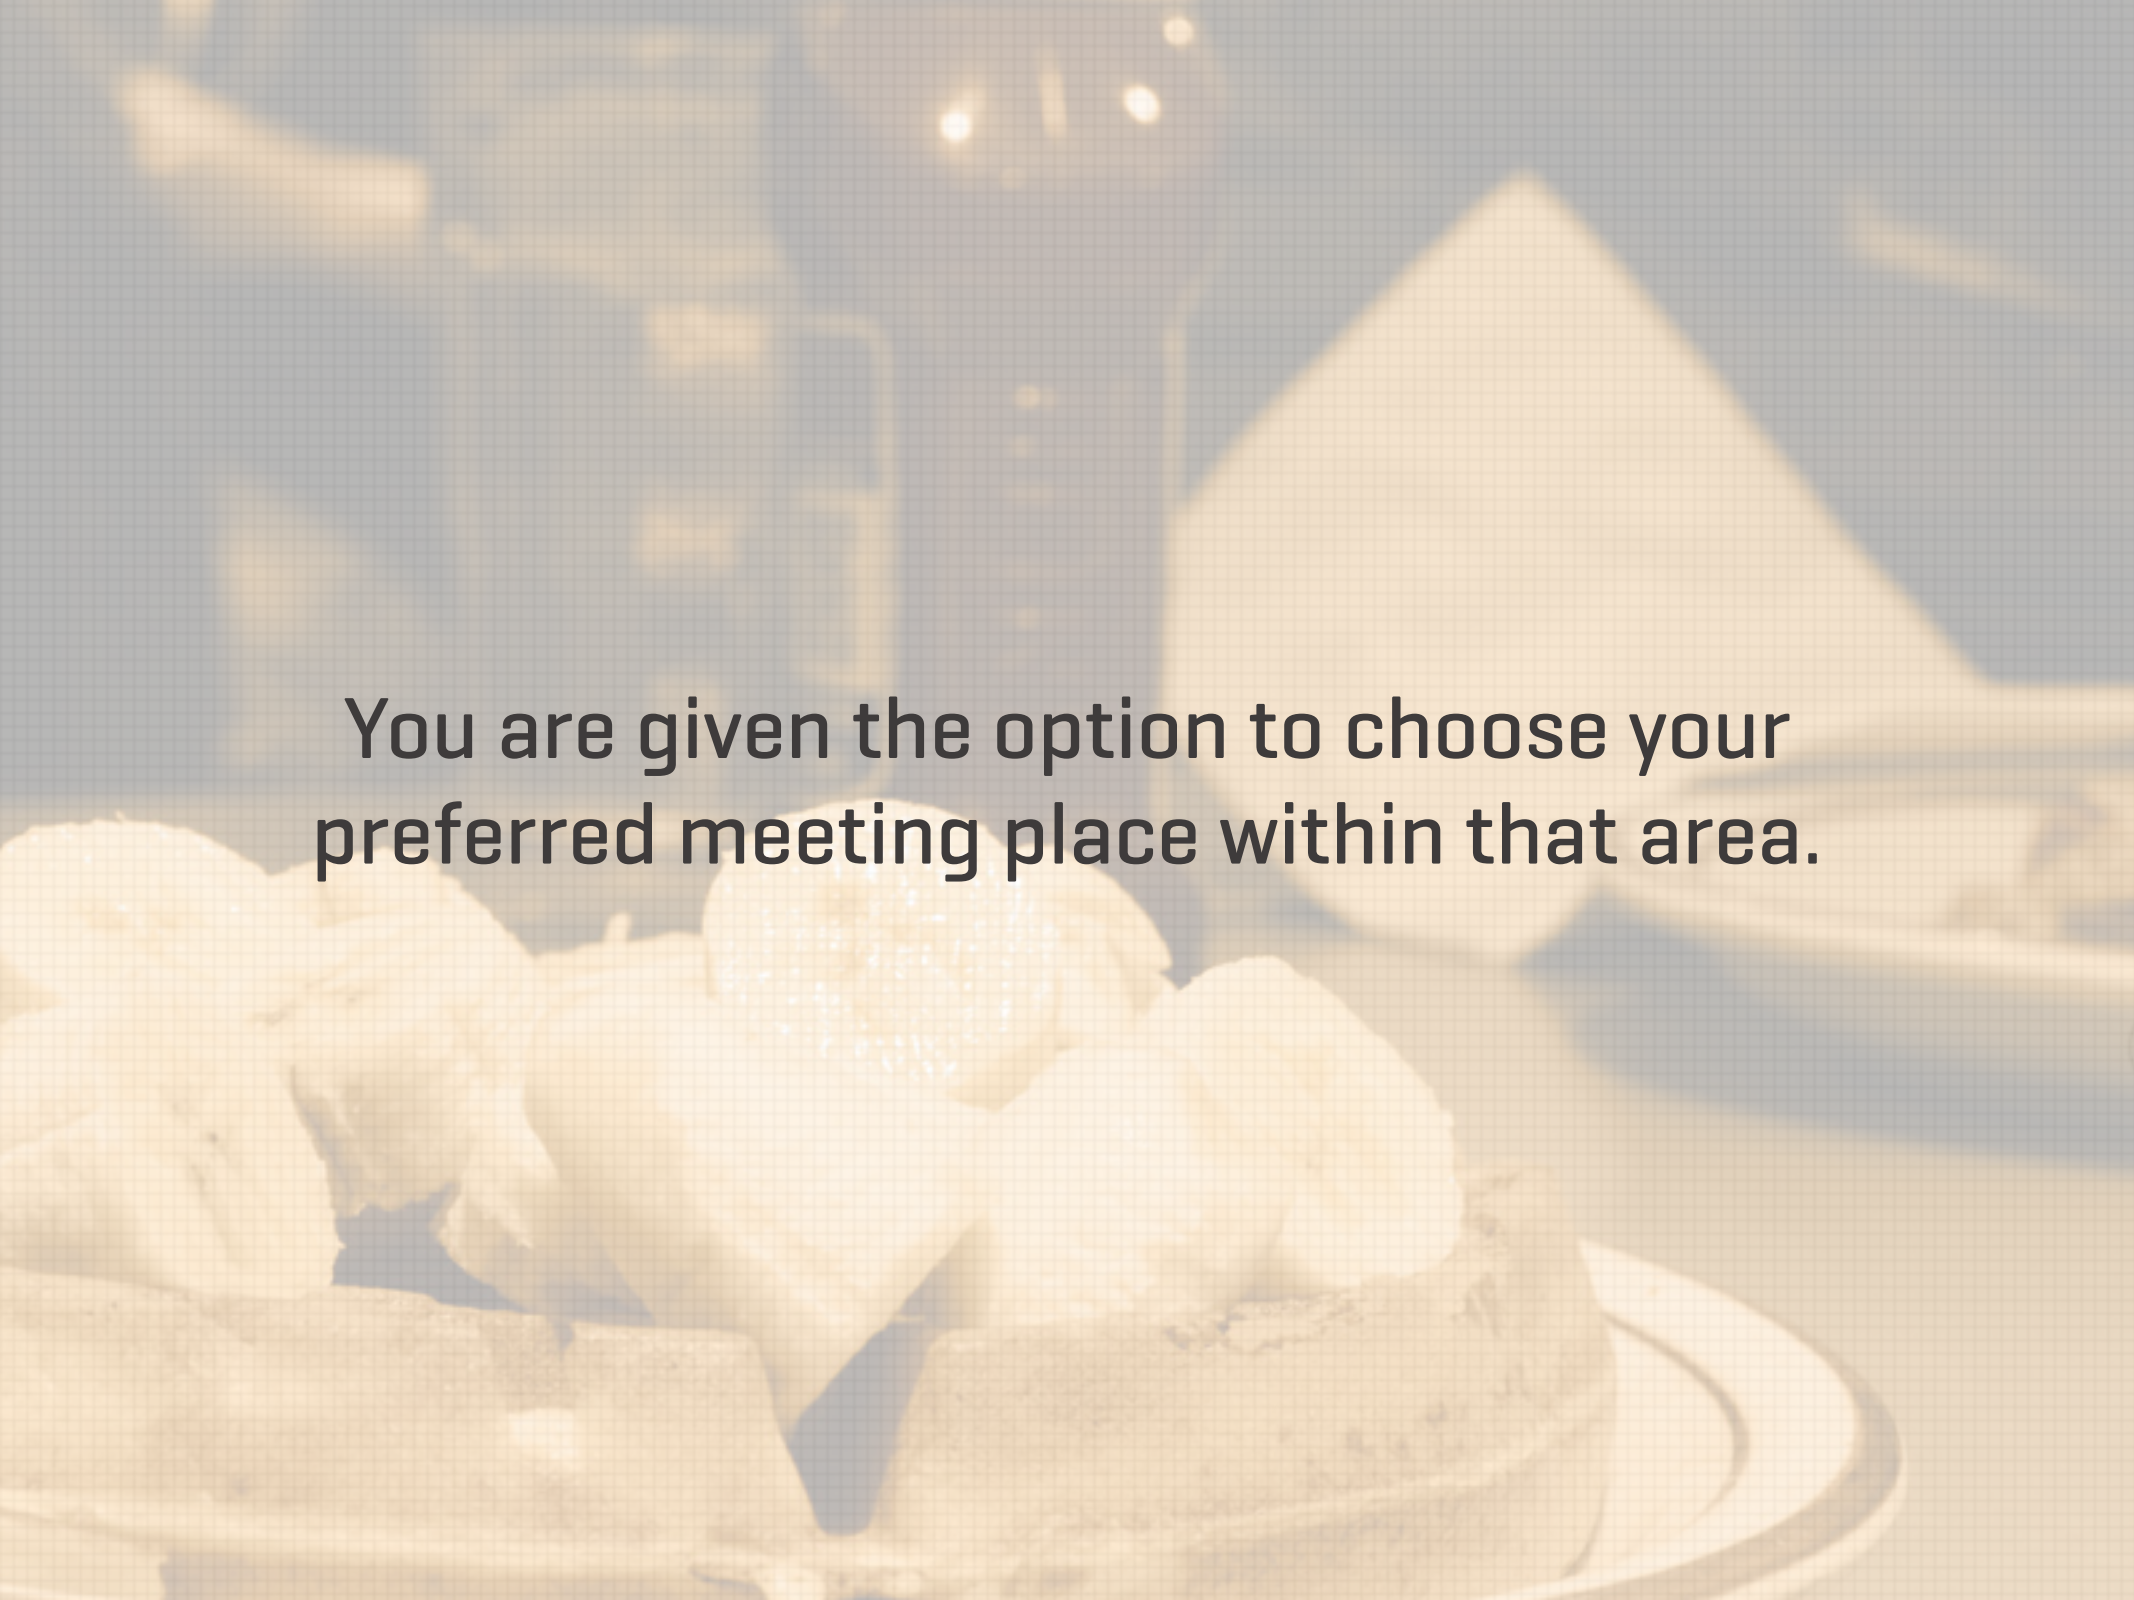

Trisha Tobias

Chelsea Hunt

Le'Quinn Fields

A photograph of a two-lane road stretching into the distance under a hazy, orange-tinted sky. A car is visible in the distance, driving away from the viewer. The road is flanked by trees and vegetation. The overall scene is bathed in a warm, golden light, suggesting a sunset or sunrise.

Halfway is an app that calculates the
midpoint between two locations.

You are given the option to choose your preferred meeting place within that area.
